MEMORANDUM FOR:

THROUGH : Director of Personnel

Emma:

You and your girls have done it once again. I'm referring of course to the excellent job of producing the well over a thousand letters we've sent to former employees in the past few months. I'm sure there must have been times when it seemed the end would never come but I believe it finally has. Please accept my appreciation for a job well done by you and the other young ladies involved in this exercise.
